Subject Matter Experts (SMEs) experienced and qualified in AFFOR operations at the operational-level of warfare. The SMEs shall have at least 3 years on a Component-Numbered Air Force (C-NAF) or MAJCOM AFFOR Staff in a leadership capacity. SMEs can alternately have 3 years as a qualified AOC Team or Division Chief. SMEs must have practical experience executing the Joint Operations Planning Process for Air (JOPP-A) and participated in at least 2 deliberate or crisis action planning events. SMEs will be capable of participating in all course-related functions spanning preparation, execution, execution support and maintenance of the course.

- 1) AFFOR SME to serve as expert on techniques and procedures to apply AFFOR Staff Director expertise and experience interfacing with external organizations to AFFOR Staff. AFFOR SME will also apply senior officer expertise by directing, planning, training, and executing A-Staff advanced academic missions for a multitude of diverse senior audiences during courses and exercises
- 2) Non-Kinetics Operations (NKO) SME to serve as expert on techniques and procedures to apply Non-Kinetics Integration and Information Operations (IO) expertise and experience interfacing with internal and external organizations to AOC.
- 3) Air Mobility SME to serve as expert on techniques and procedures to apply Air Mobility Director expertise and experience interfacing with internal and external organizations to AOC
- 4) ACSWL SME trainer for the ACSWL contractor team experienced and qualified in conducting ACSWL training world-wide. The SME shall have at least 4 years of ACSWL experience. SME must have practical experience executing the Joint Planning Process for Air (JPP-A) and have participated in at least 4 Tier 1 exercises at the C-NAF level within the last 2 years

AOC/AFFOR Lessons Learned (LL) SME to serves as expert and program analyst with responsibility to function as one of the 505th CCW's point of contact for all LL actions and provide command liaison to other AOCs, AFFOR staffs, services and agencies to ensure the 505th CCW is active and aware of all LL activities and requirements. Additionally, the position is responsible for maintaining the Wing's joint LL program.

- 5) LL SME applies AOC/AFFOR and operational C2 experience, Air Force military rated aviator experience, subject matter expertise in one of the five AOC divisions; Strategy, Combat Plans, Combat Operations, ISR or Air Mobility, and/or AFFOR staff directorates, analyzes content and select training strategies and coordinates the validation and integration of MAJCOM approved AOC syllabi.

6) LL SME must be able to serve as team member of the 505 CCW Lessons Learned Program, embed with and augments the C-NAF/A9Ls at major AOC and operational-level warfighter exercises, assist in collecting AOC/AFFOR and operational-level LL, and processes, analyzes, coordinates on, and publishes validated LL via the Joint Lessons Learned Information System.

7) LL SME must be able to serve as one of four portal administrators supporting the 505 CCW Tactics Development and Lessons Learned Portal (C-HQ Portal) on NIPRNET and SIPRNET using SharePoint. Writes, reviews, edits, and comments on articles for publication and inclusion into the C-HQ portals.

8) LL SME represents the 505 CCW at all service and joint exercises, conferences and meetings. Coordinates with AFLL, ACC/A9L, USAFWC/A9, and C-NAF/A9Ls. Solicits input, edits contributions, articles, and publishes/disseminates C2 related articles. SME must be able to host the 505th CCW Tactics and Training talk when required.
