409 Racetrack Rd NE, Fort Walton Beach

- 
- I. Call to Order.....Dee Setzer  
Dee Setzer called the meeting to order at 9:00 a.m.
  - II. Welcome and Introductions.....All  
Each member of the Consortium introduced themselves and the organization that they represent.
  - III. Purpose of the Business and Education Consortium .....Kelly Jordan  
Kelly Jordan presented a power point (attached) to explain the purpose of the Consortium and Labor Market Information.
  - IV. Labor Market Information .....Kelly Jordan  
Covered in the presentation.
  - V. Talent Needs..... Industry Representatives  
Glenn Boschen reported that Micro Systems is in need of CDL drivers and that he has met with the Business Services team at CSOW to see how they can help with this need. Tarey Franxman from the City of FWB stated that he is in need of Engineers and would like to do some internships.
  - VI. Educational Programs to Meet Business Needs..... Educational Representatives  
Donna Daniels has some students that would be interested in Internships. UWF is adding Civil Engineering class in the Fall. They also have rooms available for training if anyone is interested.
  - VII. Round Table Updates .....All  
Lots of conversation around the meeting and how great it is to have Education and Industry around the table and how many were there for the first meeting. All wanted their information shared with each other. There was also some suggestions on who should be added to this group.
  - VIII. Adjourn  
The meeting adjourned at 10:19 a.m.

**Next Meeting Date – To Be Determined**
