These employees require training to retain employment that allows for self-sufficiency. I agree to retain individuals that successfully complete the training program provided each employee continues to meet the company's performance standards.

I understand that each employee will be required to provide a complete application with support documentation (Employment eligibility, government ID, Military Service verification and/or provide a completed form I-9) within a week prior to the training start date. Funding for training is contingent upon verification of employee's eligibility and subject to change. I understand that if any changes occur regarding training dates or number of attendees, I will notify CareerSource Okaloosa Walton contact in writing prior to the start date of the training.
