

Clean + Smart Initiatives

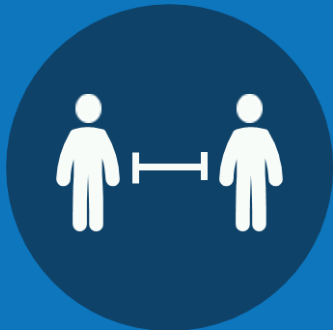

Your health and well-being is our top priority. CareerSource Okaloosa Walton is committed to implementing conscious and intentional processes to combat the virus and promote healthy best practices.

Here is what we are doing to protect your health:

Participants must complete health screening prior to entering

Masks will be required for all attendees + staff

Hand sanitizer stations will be available throughout the Center

Onsite registration will be socially distanced and participant entrance will be staggered

Outdoor space will be used to social distance, weather permitting
