DoD SKILLBRIDGE INTERNSHIP ASSISTANCE

- **The DoD SkillBridge - Internship means Active Duty Service Members who are within 180 days of separation can apply for an internship with a company within their desired industry and/or career field.**
- **Program Eligibility:**
- Service Member must be within 180 days of approved retirement or separation
- Participation depends on unit and mission requirements; approval is granted through command authorization and the Transitioning Service Members (TSMs) **Education Center**
- **CareerSource Okaloosa Walton's Role:**
- Our role is to help connect TSMs with employers throughout Okaloosa and Walton counties. CareerSource provides individualized career guidance: local labor market information, occupational trends throughout the region, assistance with translating military skills, and creating/tailoring a resume.
- Our staff has relationships with employers throughout the bi-county region and will connect with them to share your resume and credentials and to identify possible internship opportunities as well as assist them in gaining DoD approval for Skillbridge participation.
