Training Provider
Initial Eligibility Application

April 6, 2026

eligibletrainingproviders@careersourceow.com
109 8th Avenue Shalimar FL 32579
Ph: 850.651.2315 F: 850.651.3165

Deadline for submitting application no later than: 2/6/2025

1. Thank you for requesting an Eligible Training Provider's Initial Eligibility Application. As an approved training provider, your institution will be eligible to receive referrals for training from the CareerSource Okaloosa Walton's career centers located in Fort Walton Beach and DeFuniak Springs, Florida. All programs must first be approved in Employ Florida before they can be approved for the local Eligible Training Providers List (ETPL) and posted on the CareerSource Okaloosa Walton's website. The programs will also be listed on The Florida Department of Commerce's (FloridaCommerce) Eligible Training Providers (ETP) Portal at https://www.employflorida.com/vosnet/Default.aspx Select <Education and Training> at the bottom of the page, then select <ETPL Approved Programs>.

2. Please complete all items in Parts IA and IB below. Next, complete Part II attached to this application and return all documents using the e-mail address listed in the header by the suspense date. All programs submitted for approval must be linked to an occupation on the CareerSource Okaloosa Walton's Local Targeted Occupations List (LTOL) (Attached to the email).

3. All Providers are required to submit outcome information to FETPIP or Florida's Commission for Independent Education (CIE), as appropriate, and an annual performance report as prescribed by FloridaCommerce. Performance reports are normally required during the first quarter of the Program Year (July through September).

4. If you have any questions, please do not hesitate to let us know.

Location Address: 4008 Legendary Drive Suite 210, Destin, Florida 32541

Contact Name: Marney Corbin **Title:** Program Owner/ Director

Phone: 850-977-0711 **Fax:** _____ **Email:** marneydentalassisting@gmail.com

****

PART IB – Provider Authorization and Accessibility Statements

1. Is your training institution licensed, certified or otherwise authorized under Florida law to provide **training** or **apprenticeship** programs? YES X NO _____

2. Describe how your institution will ensure access to training programs throughout the State and your service areas, including rural areas; and using technology (If applicable).

Comments:

Our institution ensures access to our accelerated training program across our service area, including rural communities, through a combination of in-person instruction and strategic placement/ scheduling within our externship experiences. Our primary training location in Destin, Florida, is centrally located to serve Okaloosa and surrounding counties. To expand accessibility, we incorporate technology into our curriculum through online didactic coursework, allowing students to complete portions of their training remotely. This reduces the need for daily commuting and increases participation from individuals in rural or underserved areas. Instructional materials, assignments, and communication are supported through digital platforms, enabling students to stay engaged regardless of location, however, students are required to come to class/ lab at our Destin location for 11 Saturdays since our program is so hands-on.

3. Describe how your institution's training programs will serve employed individuals or individuals with barriers to employment.

Comments:
Our training programs are designed to support both employed individuals and those facing barriers to employment by offering flexible scheduling/ locations for our externship experiences, an accelerated program, and hands-on career preparation. Classes/ Labs are offered in formats that accommodate working students, including Saturday classes, allowing individuals to maintain employment while gaining new skills.
We provide a supportive learning environment with individualized instruction, recognizing that many students may be re-entering the workforce, changing careers, or overcoming challenges such as financial hardship, lack of prior experience, or gaps in education. Our curriculum emphasizes practical, job-ready skills in dental assisting, preparing students for immediate entry into the workforce.
We also assist students with job placement resources, resume development, and interview preparation. By maintaining relationships with local dental offices, we help connect graduates with employment opportunities in their communities.

4. Does your institution provide reasonable accommodations for access to individuals with disabilities, limited English proficiency, and other barriers?

Comments:
Yes, our institution is committed to providing reasonable accommodations to ensure equal access to all students, including individuals with disabilities, limited English proficiency, and other barriers to education and employment.
We comply with all applicable federal and state regulations regarding accessibility and nondiscrimination. Accommodations may include modified instructional materials, extended time for assignments or testing, flexible scheduling, and additional instructional support as needed. We work with each student on an individual basis to identify and implement appropriate accommodations that support their success.
For individuals with limited English proficiency, we provide clear communication, supportive instruction, and additional guidance to ensure comprehension of course materials. We strive to create an inclusive and supportive learning environment where all students have the opportunity to succeed and complete their training.

Note: Please update changes to the cost of programs at least semi-annually in December.
