

Northwest Florida Workforce Collective

Regional Performance Verification

CareerSource Florida Local Workforce Development Board Letter Grade Scorecards

Purpose. This document provides direct verification links to the official CareerSource Florida Local Board Performance scorecards for the five Local Workforce Development Boards comprising the Northwest Florida Workforce Collective Regional Planning Area. The scorecards provide the underlying metrics used for Florida's workforce board letter-grade performance reporting.

Source and verification note. CareerSource Florida states that letter grades are assigned annually after the program year ends and data are finalized. The local performance pages are updated quarterly and display preliminary rolling four-quarter data until final program-year data are available. Because the online scorecards are updated as new data become available, the links below serve as the official verification source for the regional performance discussion.

Local Workforce Development Board	LWDB	Service Area	Official Performance Scorecard
CareerSource Escarosa	LWDB 1	Escambia and Santa Rosa Counties	View Official Scorecard
CareerSource Okaloosa Walton	LWDB 2	Okaloosa and Walton Counties	View Official Scorecard
CareerSource Chipola	LWDB 3	Calhoun, Holmes, Jackson, Liberty and Washington Counties	View Official Scorecard
CareerSource Gulf Coast	LWDB 4	Bay, Franklin and Gulf Counties	View Official Scorecard
CareerSource Capital Region	LWDB 5	Gadsden, Leon and Wakulla Counties	View Official Scorecard

Regional Planning Area: CareerSource Escarosa, CareerSource Okaloosa Walton, CareerSource Chipola, CareerSource Gulf Coast, and CareerSource Capital Region.
